Joe, seems the Tire Depot fire was a previously considered a Superfund site but not listed, however I don't see it on either list. Could you or Rob clarify the Superfund status of this site. I don't seem to have captured Rob's email.

Thanks,

Tom

Attached are the SEMS quarterly reports for the State of Montana. This distribution includes an active and archived action listing report in PDF format. Since some of the information contained in these reports is considered pre-decisional and/or enforcement sensitive, these reports must be kept confidential. If you have any questions, please let me know. Thank you.
